To all speakers / authors

If you do not consent to the publication of the brief summary and the speaker/authors' contact information, we cannot accept your submission/application for this conference or competition under the EU Data Protection Regulation.

Declaration of consent (Submission) *

- ☐ Consent is granted for the publication of submitted and accepted short abstracts (including contact details) to all participants and interested parties.

Please note that your submission, whether it is a lecture or poster, is not binding. The program committee will decide if your submission will be accepted for this conference. We will inform you of their decision via e-mail.
